

Dear you

My name is Christina True, I'm 16 years old. My friends call me True and Pingo after my name and because I like black and white. My parents are divorced so I live with my dad and his wife. They have 2 boys and 1 girl (Maxi Milan, Matti and Federikke), sometimes in the weekends I see my mom and her boyfriend. She also has 2 girls (Stephanie and Schasa), so I think I have a big family.

In my spare time I work in fakta or just hang out with my friends. I go to badminton with one of my friends called Mette. What I love most in the world is listening to music, I can hear all from metal to classic.

Lovely thoughts Christina
