

Profile

Name: Gaia Tordrup

Age: 16

Sex: female

Family: I live with my mother Heidi, her boyfriend Bernard and my 2 brother's Solbjørn and Ulv. Solbjørn is 14 while Ulv is 11. ^^ They are all really nice and I really love them very much.

Pets: well I have a pretty big orange cat called peach. I think he must be around 8 years now. He is a bit noisy but he mostly lives outside so it's okay^^

Spare time: Well I draw a lot and like to listen to music. I have just started in a kickboxing class. Anyway I also use way to much time on the computer, were I am checking my facebook or YouTube. Well I like to read books, mostly philosophy and fantasy. I also spent much time being with my friends.

Likes: Books, animals, candy, techno, dance, rock, hard rock, parties, being together with my friends, my spare time job, marshal arts like tai chi or kickboxing, to draw (especially in mathematical class), the Internet, plants, films, .

Hates: people who disturb me when I am reading, spoiled brats, snoops.

Dreams for the future: well I would like to be an architect, funny enough I had the idea from the game the Sims witch I have been playing the last few years. I got introduced to it by a friend^^

I do not think I will live in Denmark for so long, mostly I hope for the opportunity to live in Barcelona, oremaybe London for a while.
